

IQrez - IQware's Premier Online Booking Engine

IQrez is a state of the art booking engine that works seamlessly with the **IQpms** and is capable of being integrated into the existing look and feel of your website. **IQrez** makes a property's full inventory searchable and bookable online at a minimal cost.

The primary objective of **IQrez** is to increase the speed and ease-of-use for clients making accommodation reservations online by preventing users from getting bogged down in the usual page to page processes associated with such transactions.

IQrez enables consumers to plan their vacations in real time and provides additional features for the guest to use that will result in the property gaining additional revenue.

IQrez Features and Benefits

- # Full integration with the **IQpms** to provide the fastest possible delivery of your inventory online
- # Omniture SiteCatalyst integration providing full ROI analysis related to where your online business is coming from
- # Create and market room specials, packages and a la carte products and services offerings
- # Multiple property search solution for **IQware** clients that manage or own multiple properties
- # Facilitate Group, Condo Owner, Timeshare/Vacation Club and/or Travel Agent bookings

BOOK.

Using the power of the web, IQware allows you to offer an easier booking experience and more options to your guests to ensure they are able to book everything needed for their stay.

IQrez allows thousands of potential guests to check availability 24 hours a day, 365 days a year. Guest can conduct availability searches at one or multiple properties in your portfolio. The flexibility of **IQrez** allows you to decide how the booking process is designed to ensure your guest's have the best experience possible.

Integration with ease
Quality guest booking experience
Real time availability calendar
Email notification automatically
Zero chance of overbooking your property

The internet is a crucial component when it comes to making reservations. People's patterns differ when it comes to making reservations. Some people still like to go through travel agents while others prefer to call and book. Statistics show that most prefer the new technology and the convenience of booking a reservation through the internet. **That is why a premier booking engine like IQrez becomes crucial for your operation.**

Dan Brown, your IQware account representative, or Nikaury Chapilliquen, Client Relations Manager, will be contacting you in the next few weeks to share the power and benefits of IQrez. Contact us today to get additional information. [Contact Form](#)
