Global Hospitality Property Management Systems

Since 1984, IQWARE has been simplifying operations and human interaction with powerful applications enabling hospitality companies to increase revenues and improve the way their people work. Our extensive suite of global hospitality management products provides feature-rich modular solutions to meet the unique and diversified needs of individual properties, management companies and chains.

0% Financing Revolutionary C.O.R.P.

IQWARE introduces C.O.R.P., its revolutionary Cents per Occupied Room Program. Let IQWARE become your true partner by providing its suite of solutions with little or no capital. You pay only pennies a day per occupied room. Use IQWARE leading-edge technology to immediately increase your occupancy, revenues and productivity. Believing in and partnering with our clients is what C.O.R.P. is all about.

Take a look. Visit www.iqwareinc.com and discover why we're the **intelligent choice** for all your global property management needs.
